ONLINE WEBINAR

OECMs: What do they mean for achieving Target 3 (30x30) in the Caribbean?

 10 April, 2024 | 11:00 – 13:30 AST

Key Outcomes

- The Development of a discussion paper for the Caribbean
- Identification of stakeholders and partners interested in continuing the discussion on OECMs in the Caribbean

- Raise awareness
 - the potential of recognising and reporting OECMs in the Caribbean
- Ascertain interest
 - specific questions
 - concepts/areas of interest

PROCESS

- Subsequent workshop
 - interested parties
 - benefits/opportunities/threats
 - recommendations for recognizing and reporting OECMs
- Development of a discussion paper
 - collaboratively

Questions

- Are any countries currently investigating the recognition and establishment of OECMs?
- If yes, what stage in the process has been reached?
- What sites within countries may potentially serve as OECMs?
